DATA PROTECTION STATEMENT

The protection of your personal data is matter of considerable concern for us. Therefore, we treat your personal data confidentially and in accordance with the relevant legal provisions as well as this statement. Below, we inform you for what kind of personal data we collect, process and use on our websites under www.pat-aachen.de and www.patkoenig.de as well as the purpose of the collection, processing and use and its extent.

Personal data

Personal data consists of data that relates to a „living individual“ who can be identified from that data, or from that and other data or information in the possession of the data user, for example your name, address or email address. You can use our websites without disclosing personal data. We only save your personal data if you contact us and give it to us. We do not pass on your personal data without your consent.

Data collection

While you visit our website we only collect the data, provided by your browser that is necessary for you to visit our website:

- IP-address
- Date and time of the request
- Time zone differential in relation to Greenwich Mean Time (GMT)
- Substance of the request (the specific page)
- Access status/http status code
- Transferred amount of data
- Website from which the request originates
- Browser
- Operation system and its user interface
- Language and version of the browser software

These data are anonymised and therefore no personal data.

Cookies

We use cookies to some extent. Cookies do not damage your computer and they do not contain viruses. Cookies are small text data that are saved by your browser and deposited on your computer. The cookies will be deleted from your computer after every session (so-called „session cookies“).

You can adjust your browser to accept cookies only in specific cases or not to accept cookies, at all. You may also adjust your browser only to accept cookies upon your express consent and you can also adjust your browser to delete all cookies anytime you close down your browser

Data security

We protect our websites and systems by technical and organizational means against loss, change, access and distribution of your data by unauthorized third parties. However, we cannot ensure complete data security with regard to email correspondence.

Right to disclosure of saved personal data

According to the German Data Protection Act („Bundesdatenschutzgesetz“) you are entitled to request disclosure of all the personal data we have saved with regard to you. The request as well as the disclosure is free of charge. In addition, you may request correction, blocking and deletion of all the personal data we have saved with regard to you.

If you any questions in this context or regarding personal data you can contact us under the address provided in the legal notice.
